Solar Parks Proposal

At the Council meeting in January, your local Residents' Association Councillors were delighted to hear that the proposal to put a solar farm on Dagnam Park has been reconsidered and will not go ahead in its present form. Having visited the site with the Friends of Dagnam Park, we were the first and only group of Councillors in the Administration to publicly raise concerns and objections to this in October.

McDonald's Sponsor Local Football Team

Harold Wood Cougars U13 Football team said a big thank you to the local Romford McDonalds for sponsoring their football team this season.

They had struggled to find a new sponsor for a couple of years and all kit was getting a bit old, that was until the owner of Romford McDonalds Gerry Byrne found out and kindly decided to help out.

Scott Eagling said the boys were over the moon with the new tracksuits from McDonalds, they look great and what a sponsor to have. I can't thank Gerry enough.

Gerry said "I am glad to be able to give something back to the local community and in particular grass roots

football." Harold Wood Cougars U13s (School year 8) who play in the Chelmsford league are having a good season and are looking for a good standard of players to strengthen their squad for next season. They train on Wednesday, Saturday and play Sunday. If you are interested, then please contact Scott Eagling on 07775934600 or Debz Dowling on 07940571180.

Keeping up-to-date

If you are on the internet, please do visit our website at www.hwhpra.org.uk or join our Facebook page (Harold Wood Hill Park Residents Association) where we try to keep residents up to date on other news that is happening in your area.

Lorry Satnav Update

Last year we raised the issue of satnavs causing lorry drivers to turn into Court Avenue, David Drive and Geoffrey Avenue despite clear weight restriction signs. After extensive lobbying, we are very pleased the Local Government Authority (LGA) has taken up the cause. The LGA is calling on HGV drivers to be compelled to use commercial satnav models instead of cheaper versions intended for cars. It is also calling on the government to enable councils, like Havering, to take enforcement action where necessary. We are following developments closely and will continue to represent local residents on a problem affecting roads up and down the country.

Cllr ALEX DONALD

Gooshays Drive

As part of its accident reduction programme funding via TFL, the council is looking to replace the existing traffic island crossing point in Gooshays Drive close to the Petersfield junction with a humped zebra crossing due to there being a number of accidents/incidents in that particular area. A formal consultation on this will be issued by the council in due course.

Long House Plants

Long House Plants has been producing home grown plants for more than 10 years - here is a chance to see where it all begins! A nursery stock plant area can be just blocks of plants to propagate from, but here it has been thoughtfully designed so that the collections of plants look good together, showing the differences between varieties, linking shapes, textures and colours across the planting schemes with plenty of seats, carefully placed to enjoy the plants.

Long House Plants is opening the nursery garden for the National Garden Scheme between 11.00am and 4.00pm on Wednesdays 14th June, 12th July, 16th August and 13th September. Also on Saturdays 24th June, 22nd July, 26th August and 23rd September. Tea and cake will be available. Council Tax Increase

As council budgets continue to decline we need to make sure that the money we do spend is done so wisely and in line with the priorities of the community. We have worked very hard to produce a balanced budget for next year that provides a decent and affordable service to our residents whilst ensuring our more vulnerable people get the care they deserve. With central government grant reducing from £21m this year to £1.4m by 2019/20, coupled with greatly increased costs associated with Adult Social Care, Children's Services and Housing, the 2017/18 budget will need to include an additional £5m to support these specific services. Also, a further £1.3m will need to be found to pay for our waste disposal. Although £11m of savings have been found for next year, it includes some difficult choices. For example, to maintain the 30-minute free parking period,

longer stay charges will need to increase.

However, maintaining investment in our roads, schools and heritage are all incredibly important, for example we will see the Tithe Barn Roof repaired, improvements to libraries and allotments along with £2m set aside for Highway repairs and Street Lighting.

Against this background the Council Tax increase from April is set to be 3.5%. However, it is notable that some councils are proposing council tax increases of up to 15%.

Cllr CLARENCE BARRETT

should stop directly OUTSIDE the Polyclinic saving elderly and vulnerable residents from having to walk down the steep hill. This would cut down on traffic, reduce the already full car park, and most importantly enable residents across Harold Wood to access a vital health service safely and conveniently by public transport. I would love to hear your views on this.

Cllr ALEX DONALD

Parking Schemes

At the Highways Committee in February, feedback from the initial consultation to introduce a residents parking permit scheme in Camborne/Melksham and Wednesbury areas were presented. There was overall a positive response to introduce some form of parking restrictions to help deter and prevent commuter parking. It was proposed that a permit scheme from Monday to Friday 10.30 to 11.30am should be formally consulted upon as per

Polyclinic Bus

Wouldn't it be great if there was a bus that dropped you off directly outside the Kings Park Polyclinic? Transport for London (TfL) are drafting plans for a new 497 bus route between Harold Wood station and the Hilldene shops. The current proposals only have the bus stop NEAR the Polyclinic on St Clements Avenue. Instead your three Residents' Association Councillors propose the 497

statutory requirements. Once the results of this are received then it will be brought back to Committee for final review to either adopt or reject. Please ensure that you respond to the formal consultation so that your views can be heard. Once the above scheme is dealt with we shall be raising again with the Highways Department issues around parking in Halesworth Road and Close and Amersham Close. Previously we were told that until these schemes are dealt with and the impact of any parking displacement considered they will not move forward.

Kings Park Meadow Planting

We have received further complaints by residents about the amount of rubbish been thrown into the meadow planting adjacent to the entrance to the Kings Park estate from The Drive. We had raised this previously with Countryside and have now raised this again to see if this can be cut

back and laid with lawn. Unfortunately, it is all too easy for passers-by to throw rubbish in this area which is unacceptable. We are waiting the outcome of Countryside's response.

Men's Lunch

TUESDAY, 14th MARCH, from 11.30am in St. Peter's Church Centre, Harold Wood.

We are thrilled to welcome this month, Bishop Rod Thomas, the Bishop of Maidstone as our guest 'after lunch' speaker. Rod is a good friend of St. Peter's but this is the first time he has spoken at Men's Lunch.

Rob became the Bishop of Maidstone in September 2015. His special role is to faithfully preach and minister the Word of God throughout the whole Church of England - north, south, east and west - that's a very wide remit! You could say he's a type of 'super flying Bishop!' Rod is also an Assistant Bishop in currently 11 Dioceses (areas) including Chelmsford which St. Peter's belongs to.

We are tremendously grateful to Rod for sparing us his time in his

very busy schedule. Members 'old and new' would be most welcome so we hope you can join us. Please reserve your lunch place by telephoning St. Peter's Welcome Desk on 01708 342080, or email: welcome.desk@stpetersharoldwood.org. Chris Knowles, Julian Harris and the Men's Lunch Team.

Cemetery

We are disappointed that the Government has ruled in favour of a cemetery on Maylands Fields. Your local Residents' Association Councillors have campaigned and succeeded twice at the Council's Planning Committee to refuse permission. The developers then launched a legal appeal to the Planning Inspectorate to overturn the Council's ruling. We will be working with the developer and local residents to ensure public access is retained through the site so residents can continue to enjoy our area's green space.

Olympic Levy

Can we have our £750,000 Back?

Residents may recall the imposition of an annual £20 levy on all Council Tax Payers across the Capital to contribute £625m towards the total cost of the 2012 Olympic Games. The first payment was made in 2006/07 and the final balancing payment of £8 was made in 2016/17, with the other £12 was returned to us. As the full £625m had now been paid off, the expectation was that the remaining £8 would also be returned to us in 2017/18, this would be worth £750,000 per year to Havering. However, the draft 2017/18 budget from the Mayor of London does not propose to return this sum, instead to subsume it into his general budget. We face significant financial pressures, such as Social Care, demographic growth and Housing as well as substantial reductions in local government funding. While the Games were a great success and enjoyed by many, the levy meant that Havering Council Tax payers contributed some £16m towards the Games with little quantifiable benefit to residents. As such, it is entirely reasonable that the £750,000 should be returned to

Havering in 2017/18 to help fund council services to our residents. We have challenged the Mayor of London on this and secured cross party support through a Council motion in January. We shall keep you updated.

subject to change)

Wingletye Lane Railway Bridge

Thank you for the numerous suggestions and comments, we have forwarded a report to the Council and hope this might pave the way for a solution. Some suggestions called for traffic light control allowing one way at a time, road humps to slow the traffic and even the provision of a crossing at each side with the narrow rather unsafe pavement being closed. Naturally there were arguments either way and whilst we do not wish to add to local congestion we are concerned for the safety of local residents at this dangerous part of the road. Once again we have asked the

Council to repair the damage to the road surface, something that seems to come back every year leaving a patch-work of tarmac rather than the proper resurfacing that we have been asking for. The message that most people were giving was for the motorists to just slow down and bear in mind the safety of other road users and pedestrians alike.

John Stone

Maylands Way/ A12 Junction

Following various requests, we have fought to get the Council to install double yellow lines at the junction of the A12/Maylands Way which will improve sight lines for vehicles leaving and exiting this junction.

Cllr DARREN WISE

'A' Board Controls Introduced

Over the years we have received many complaints about advertising boards outside

shops/cafes which restrict the pavement and are obstacles for wheelchairs/walkers/buggies and anyone with a visual impairment and in addition make our streets untidy. I am pleased to say that the Council has at last agreed to introduce a Code of Practice which is aimed at enabling businesses to advertise in a controlled way, whilst adhering to a set of conditions. The Council will be informing all premises of this with full details of the size, position of the boards and issues such as liability insurance. Visits to premises will be taking place over the next few weeks and full explanations given. Once this is in operation, businesses who fail to comply with the Code of Practice, after reminders, may be liable for enforcement costs of £200. This action is not intended to prevent businesses from advertising responsibly but hopefully will make our pavements less cluttered and safer for all.

Romford Market

It is with sadness that I have to report that the application for the new building in the middle of Romford Market has been passed. The market, over 750 years old, is dying and urgent positive action is needed to keep it alive - sadly the only idea to date is a large building, called a market house, which is to be placed right in front of the church house, built 15th century and the grade two listed church, St Edwards - their views destroyed forever. The building is for an upper class restaurant, most of whose trade will be evening, when the market is not there - over 900 people objected, on grounds of heritage, conservation area, and lack of need - put anywhere else, the building would not have looked so obstructive. Despite all of this, only myself, my Harold Wood colleague Alex Donald, and a UKIP Councillor listened to the residents, used our common sense and rejected the application.

Local Flooding

Readers may remember the dreadful wet weather we had in June last year, this led to flooding in several parts of the borough including a home in Hacton Lane where the River Ingrebourne burst its banks. North of this beside the Windmill Pub in St Mary's Lane we have reported and have had cleared the build-up of broken tree branches etc.

The Government's Environment Agency has published a report on the incident giving full details of the flooding and how residents were assisted.

I did not see much on the prevention of how to stop this happening again.

Personally, I feel there are two main options to stop this in the future one is to build up the banks the other is to dredge them

Please Clean Up

We have received the following appeal from an Emerson Park Resident it could have come from anywhere in our area as the problem sadly occurs all over Havering.
"I am appalled at the behaviour of some dog owners. I have seen poo bags in the gutter at the bottom of trees, behind green telephone cable boxes and in

people's front garden. Every time I see a dog walker I wonder is it you that throws your dog mess away rather than take it home and dispose of it. Nobody wants one of those red dog boxes in residential roads. So please have a little respect for the place you live in and your neighbours too."

Could you spare a few hours a week working in our Community Library at Cranham Community Centre, Marlborough Gardens, Cranham. The hours are Monday 1-3 to 3-30 and Tuesday to Saturday 10-12. Full training given. For more information call Janet on 222665 or Margaret on 443250.

Ray Coomer

Raymond Coomer was a man greatly invested in the community. He was heavily involved in the local residents associations, even running for local council on 2 occasions. He was also involved with the safer

neighbourhood team and was chairman for the IAG (independent advisory group). Ray was a great believer in helping to make the local area a better place to live in, particularly in Ardleigh Green, where he lived with his wife and son for many years. Ray would help support All Saints Church on Ardleigh Green road where possible and because of his great love of flowers would donate to their annual flower day, and because of this his wife Jackie donated the flowers from Ray's funeral to them so the parish could enjoy the beauty that Ray himself would have appreciated so much.

He was a great heating engineer and helped many residents with boiler problems over the 30 years that he was gas safe registered. Sadly on the 14th of January at the age of 59 Ray lost his nearly 3 year battle with bowel cancer. He remained strong and positive till the end, which was very much his way.

Ray is a great loss to the community and his family and friends. He will always be remembered and his memory will live on in many ways for years to come. A great friend, neighbour and true gentleman, you will be

Upminster Parking Update

Consultation on further parking restrictions in Upminster Ward have been extensive, with several residents meetings with council officers and meetings between councillors and officers over many months. Residents have responded to the consultation letters in large numbers and submitted petitions. In respect of the proposal for residents parking permits in roads north of St. Mary's Lane, where residents had expressed concern about commuter parking, we have, following reviewing the figures from the consultation, concluded that a clear majority of residents do not want permits. We have always said we would abide by the majority view, therefore permits in this area will not go ahead. In terms of the consultation results for the Tree roads and South View Drive, where there are currently no parking restrictions, again a mixed response from residents. The

proposal was to restrict parking between 8am and 9.30am Monday to Friday. We are still in discussion with officers on this before deciding whether to put a report to the Highways Advisory Committee in March. We will keep you updated on this.
