WATER FOUNTAIN for HAROLD WOOD PARK

Please show your support by signing our petition.

The Friends of Harold Wood Parks would like to gain funding for a new, dual-use water fountain in Harold Wood Park, for people plus pets.

Benefits include:

- encouraging healthy drinking of water to all
- reduction of plastic waste by encouraging use of refillable bottles to the thousands of children and adults who use our park for sporting and other activities
- helping to safeguard animals in our park, especially during summer
